A coalition of homeowners, environmentalists, businesses and  
taxpayers concerned with eminent domain

- Proposition H imposes a \$44.5 million dollar tax increase on  
residents of Ranch Santa Fe.
- The School Board's irresponsible plan will cost \$2.3 million per  
classroom.
- Proposition H would require each property owner in the District  
to pay a \$750 tax increase per year - or more!
- Plus, the School Board wants to pay over \$9 million for a parcel  
of land that was appraised  
for only \$6.5 million -  
wasting nearly \$3 million of  
our tax dollars.
